

## 1901

### Beverley Road

*Unless otherwise stated the numbering is arbitrary and does not refer to house numbers.  
The year is year of birth and the place is place of birth.*

*No 1 – Maybe another branch of the present Dunn family. Alan became a builder and built the two brick bus shelters in the village (the one near the phone box has gone). He is the father of Lois Dunn who is in the photos of the Withernwick Drama Group on the Photo Gallery. His wife Hetty used to report news for the Hull Daily Mail.*
