Saturday 11th May, may have been a very windy day that was prone to giving some heavy showers but that was no deterrent to Amber-Louise Cantwell accompanied by Dawn & Sharlah and their faithful trainee Canine Partner dog Odile who loved looking through the railings on the Humber bridge. The occasion was the Christian Aid Humber Bridge Cross which we were glad to participate in after hearing about it from our friends at the URC in Hornsea. Such a worthy cause. Three friends from Aldbrough along with many from Hornsea sponsored her and a the total raised was £76. *It was a good day and perhaps next time more from the Parish could be involved.*

A big thank you to all who helped make the strawberry tea such a big success, raising approx £1050, especially Chris & Allison Faure for hosting the event at Rolston Hall

Withernwick Ladies Group - When we had to move indoor on March 6th Julia Moulds kindly hosted the ladies group meeting at home, with excellent cakes to accompany afternoon tea. The speaker for this occasion was Margaret Booker who brought a varied collection of quilts - small and large, some made, some bought at sales with examples of both English and American quilting. Fifteen members and guests attended and at least two have been inspired enough to 'have a go' quite successfully since!

On a similar theme our speakers on April 3rd came from the Wolds Lace Makers at the home of Mrs Christine Humphrey, again with very tasty refreshments! We listened to an interesting history of lace making - enjoyed looking through an amazing collection of items that the group had made, watched two of the group making lace bookmarks and then - a few of our members had a go and found it easier than we had thought to produce a small lace item. That is definitely my next project.

On April 12th members attended a tree planting in memory of Mrs Doreen Alta at the burial ground Withernwick. April 23rd saw members acting as hostess at The Falcon, Withernwick, for a quiz afternoon to raise money for the Make It Shine charity.

John & Julie (The Falcon) provided raffle prizes. The ladies group donated prizes for the quiz and the afternoon - which was really good fun - raised £100.

Members and guests met at St Albans Church on 8th May when Mr Nial Adams - the manager of East Riding Museums - based in Beverley entertained us with a talk and slide show touching on many places which come under his remit including The Treasure House, Beverley Sewerby Hall and Bridlington. A very good, amusing and interesting speaker who must be on our 'come back again' list.

Sixteen members and guests met on June 4th for a garden party at Pat Beddards. The weather smiled on us this year - unlike last when we had to move indoors because of rain - and we spent three hour enjoying the sunshine and a scrumptious tea. Members agreed to provide prizes for best container/hanging basket at the forth coming Withernwick Open Gardens event on July 21st. Ann Wood and Pat Beddard will Judge entries, displayed throughout the village, on Saturday 20th. Members also agreed to assist in providing refreshments at St Albans Church on the 21st - open gardens day.

As always new members and guests are always welcome.

Future meetings:

July - evening meeting St Albans Church (subject 'Bats')

August - members will again host an afternoon tea party (with raffle) for Yorkshire Day - proceeds once more to the Yorkshire Air Ambulance

September - a demonstration of painting silk

October - a trip to Saltaire

Dear Friends,

Greetings. I hope you are all in good heart. Sylvia and I are enjoying our retirement in Swinstead. This is just to let you know that I will be leading a day at Wydale Hall near Scarborough in the beautiful Yorkshire countryside. We are all familiar with paradoxes and enjoy them in television programmes - Miss Marple and Colombo are two good examples. More importantly our faith includes lots of paradoxes: becoming a child to enter God's Kingdom, being strong by being weak; dying in order to live, to name but a few. The point of the day is that hopefully we will all learn that by welcoming these and other apparent contradictions, we can mature and grow as Christians. I am pleased that some of you are already planning to come. Why not join them?

All good wishes, Richard
