Aldbrough WI August Meeting.

Ms Dunn welcomed 16 members and one guest to the August meeting held in the Methodist School Rooms.

Guest speaker was Mr. Tony Featherstone. Mr Featherstone informed members of the use of pots and raised beds for growing vegetables. Types of compost and feed used was discussed. Mr Featherstone commented on that you only needed a small amount of space to be able to produce lots of different types of vegetables for the home. He went on to highlight that fruit trees could also be grown in small spaces. Following several questions, Mrs Longstaff gave the vote of thanks. After refreshments a business meeting was held.

4 members of the Aldbrough WI had competed in the local rounds of the WI quiz and were now set to go onto the finals in Beveley in late September. The WI had also entered the Village Scarecrow competition held in July, they had come a worthy 6th, out of the 31 entrants. Thanks were also passed onto members who had helped in any way at the village show.

Federation actives where high lighted, including the countdown to Christmas workshops.

The Next meeting to be held on 2nd September speaker to be Margaret Brooker who will be speaking on and demonstrating the art of floral brooch making.
